

Who is Everest?

We are an independent consumer advocate whose sole purpose is to provide the information you need to make the most informed decisions about all funeral related issues, and then put your wishes into action.

What makes us revolutionary is that we work for YOU, not the funeral home. You're never locked into a decision, and our funeral advisory services can be used at any funeral home across North America. As an impartial consumer advocate, Everest is not a funeral home, we do not sell funeral goods or services, nor do we receive any commissions from funeral homes or other service providers in the funeral industry.

Now that's really giving your family peace of mind when they need it the most.
