2013 marks the fourth year we've held a community service project to collect items for a charity in the area where we'll hold our annual convention. This year our convention will be held July 14-17 at the Hyatt Regency in Schaumburg, Illinois, and we'll be helping Ronald McDonald House for Lurie Children's Hospital.

Ronald McDonald House for Lurie Children's Hospital just opened its doors in June of 2012. Ronald McDonald Houses provide a supportive residence for families while their children are being treated at a nearby hospital. The Houses give families the opportunity to connect with others going through similar experiences. In this “home away from home,” parents can exchange stories over a cup of coffee in the kitchen while siblings bond with new friends in the playroom.

Won’t you consider donating to this worthy cause and letting the greater Chicago area know that UCT cares? Needed items for the House and families include Keurig K-cups (coffee), $20 gift cards (Amazon, Target, Walgreens, Visa, MC, Amex), postage stamps, and 30 and 60 gallon garbage bags.

If you don’t plan to attend the convention in Schaumburg, feel free to send items to: UCT, Attn: Jen Chilinsky, 1801 Watermark Drive, Suite 100, Columbus, Ohio 43215. We’ll make sure they’re delivered. Items must be received by June 28. We want to acknowledge your donation, so make sure to include your name and council name with your donation.

There’s still time to get out the vote for our “UCT Gives Back” video finalists!

As you probably know by now, nine video finalists in UCT’s contest to award $10,000 to a school with programs for individuals with intellectual disabilities or university with programs to train special education teachers have been posted on our Facebook page at www.facebook.com/UCTinAction.

We need you, your fellow members, and your friends and family to vote for your favorite video. The school whose video receives the most votes by Feb. 15 will be given the $10,000. Voting is easy. All you have to do is “Like” us on Facebook, click on the “UCT Gives Back” tab and cast your vote - once every 24 hours, if you like! So, share the word and help us support UCT’s number one service project.
JOIN HANDS DAY is Saturday, MAY 4, 2013 - save the date!

JOIN HANDS DAY is a fantastic annual day of community service for many U.S. and Canadian councils that specifically targets and develops relationships between young people and adults through neighborhood volunteering.

This year’s event is slated for Saturday, May 4. Now’s the time to join with youth in your area to plan a project that will make a difference in your community! Coordinate a local festival, clean up a local park or playground, visit with local veterans, plant flowers at a local nursing home - whatever will make your community a better place for those who live in it!

UCT members can hold JOIN HANDS DAY projects on May 4 - or any other date that works for you and your council. You can partner with an established youth group or join with your children and grandchildren for the day of service.

JOIN HANDS DAY ideas are available on the Members area of our website under Programs and Contests. Remember, councils that plan and participate in a JOIN HANDS DAY project receive two credits toward the council’s Medal of Honor requirement. In addition, councils may also use the event as a credit in other categories where a bonus might be needed.

This year the American Fraternal Alliance is asking you to share your stories about your projects, including and especially, photos of your events on its Facebook page at www.facebook.com/fraternalalliance after your event. And don’t forget to send photos and project details to UCT’s Public Relations Department for use on our Facebook page and in publications!

Contact Joyce Pierre at the Canadian Office with any questions or for more details.

Important reminders:

Don’t forget this year’s Medal of Honor Program ends March 31. This means that any new members that need to be included in the March 31 deadline should be received at the Calgary Office by no later than Friday, March 22. If your council needs information on where you presently stand with membership, please contact Joyce Pierre at the Canadian Office.

Local and Grand/Regional council reports have been sent to appropriate officers. Please note the due dates for all report forms:

- Local council activity reports - March 1
- Local council membership reports - April 22
- Grand council membership reports - June 7
- Local and Grand/Regional council financial reports - July 1

Dental, Vision & Hearing Expense Insurance (DVH) *

Looking for insurance to cover dental, vision & hearing costs not covered by provincial health care? UCT’s Dental, Vision & Hearing Expense Insurance (DVH) might be just what you need!

The product is available in all provinces of Canada except Quebec for individuals 18-84 years old. It’s the perfect plan supplemental coverage and for self-employed individuals, contractors or individuals who don’t have easy access to quality insurance coverage for dental, vision or hearing. Check out some of the product details:
