

UCT Board of Governors Member Glenn Suever

Glenn Suever of Quincy, Michigan, is a member of Coldwater, Michigan Council 452 and is a past local president and past regional president. He currently serves as his council's secretary-treasurer and was on the Michigan Regional Council's executive board for six years. He has served on several committees on the international level and is a past UCT chaplain.

Glenn has an associate's degree in electronics technology from Glen Oaks Community College. He worked for 10 years in production & maintenance at Acorn Door & Window, seven years as an industrial electrician at Kuhlman/Solvay Automotive, and 25 years in electrical engineering/controls supervisor at Kautex-Textron. He has also owned and operated a television/antenna repair business.

His community service efforts are focused primarily on helping youth. Glenn has been involved with school sports for a number of years, volunteering as a baseball and softball coach and working concession stands at sports events. He has also volunteered for his local PTA and served as the association's president and spent time on a local school's technology development team.
