

UCT Heaston Scholarship Criteria

The UCT Heaston scholarships will be given to three deserving students annually, each covering four years of undergraduate education. The winners will demonstrate:

- Evidence of hard work to overcome obstacles
- Academic success and extracurricular success in high school
- Commitment to community service

The UCT Heaston Scholarships will be awarded to students with the equivalent of high school senior status. Students must be enrolled and entering a college program in the coming academic year.

All funds disbursed are to be used for school-related expenses. Funds will be sent to the university/college.

Applications must be **RECEIVED** (not postmarked) at the UCT office by March 15.

Scholarship awards will be announced after May 1. We will notify you. No phone calls please.

NOTES:

- Since this is not a need-based scholarship, we will use the personal narrative, especially the "overcoming obstacles" portion, as the tie-breaker for equally qualified candidates.
- Use one application for all three awards - the committee will determine which amount/named scholarship to award based on applications.
- Require annual proof of enrollment before disbursement of award every year.
